Rumored Neapolis Cheese Factory To Re-Open Soon

It was unofficially reported last week that the Central Alberta Dairy Pool will reopen the Neapolis cheese factory east of Didsbury. We understand that preparation commenced Monday to put the equipment in shape for cheese making, and that it will not be long before the local cheese factory is once again turning out its famous product.

The Neapolis cheese factory operated as a local co-operative project east of Didsbury for many years and was taken over about three years ago by the Central Alberta Dairy Pool. The Pool remodelled the plant and put in more vats to handle increased volume, but due to a shortage of fluid milk at that time for the processing, the Pool installed a modern cold storage locker at Neapolis for the convenience of its patrons and it has been successfully operated ever since.

WESTCOTT SCOUT TROOP HOLDS WEEKEND CAMP

A successful weekend camp was held by the 1st Westcott Scout Troop on Friday and Saturday. The main project at this camp was the Scout marksmanship competition in which the troop has a team of five boys entered. The youngest Scout, a tenderfoot, George Klinek, turned in the highest score for the team.

Local Red Cross Quota Within Sight

The annual drive for funds by the Didsbury branch of the Canadian Red Cross Society is drawing to a close and on Monday it was reported that the sum of \$2650 had been being collected, which is just \$100 short of the quota of \$2750.

It is hoped that the local campaign can be completed by the end of the month and canvassers are urged to complete their rounds immediately and turn in all books to the secretary by the weekend if possible.

Following is a further list of donations to the Red Cross:

SUET that Mr. and Mrs. Clement K. Kohler have been putting out for the birds this winter at home, has been disappearing much faster than the birds could nibble it up. The culprit was discovered recently when this raccoon was caught guilting peering from a bird rest above the basket of suet and a jar of seed—perhaps too overfed to make a getaway.

Bergen Pioneer Dies At 66

Funeral services for Jens Fredrick Admussen, age 66, were held Wednesday, April 15, at 2 p.m. from the Bergen Pentecostal Holiness Church with Rev. Walter Gamble, church pastor, and Padre Jackson of the Sundre Legion officiating. Mr. Alex Brown led the Sundre Legion members in a short ceremony, followed by Mr. Tom Jensen, bugler, who sounded "The Last Post."

The late Mr. Admussen passed away in the Olds hospital on Sunday, April 12, after a brief illness. He was born at Kansas City, Missouri, and came to the Bergen district where he homesteaded in 1911. He was a veteran of the 1st World War and an active citizen of the Bergen and Eldswood communities.

Surviving are his wife, Margaret; four sons, Christian, George, Walter and Reginald, all of Bergen; three daughters, Mrs. Jean Kynch, Red Deer Valley, Mrs. Gladys McGraw, Calgary, and Mrs. Edna Noad, Olds. There are 16 grandchildren.

Also surviving are a brother, Walter, of Topeka, Kansas, and four sisters: Sophia, Kansas City; Christine, Topeka; Marie, Emporia, Kansas; and Edna, Kansas City.

Interment was in the Bergen cemetery with Orme Funeral Home in Olds in charge of arrangements.

Palbearers were Mr. O. Erickson, Mr. Jack Davidson, Mr. Trygve Halvorsen, Mr. Neil Peterson, Mr. Endrid Mjolsness and Mr. Alex Brown.

Letters To The Editor

The Editor, Didsbury Pioneer:
May I through the columns of "The Pioneer" report again on how we are getting along with the work of gathering funds for the start of an Old Folks' Home in Didsbury.

It seems to be a slow and uphill process and a lot of hard work has gone into raising the money we now hold. Some people have come forward with the donations they promised. Mr. Walter in fine style and we as a committee are grateful to them. We are sadly in need of two or more volunteers to canvass the East and the same goes for the Town of Didsbury.

At our last meeting on April 10 the secretary-treasurer reported we had on hand the sum of \$5,208.50 and possibly as much as \$5,500.00.

Donations can be handed to Mr. Wilmer Reist, Mrs. Long, Mrs. Harry Ollrie, Mrs. Bluffner, A. Traub and Frank Jackson, who have been authorized to issue receipts. Please make your donations as generous as possible as Didsbury needs such a home.

MISCELLANEOUS SHOWER FOR RECENT BRIDE

A miscellaneous shower was held at the home of Mrs. H. Papke on Thursday in honor of Mrs. Lloyd Devine (Mary Knesch). After several contests Mrs. Devine, assisted by Mrs. E. Martin and Mrs. Papke, opened the many useful and pretty gifts.

Mrs. Annie Bolton Passes At Calgary

Funeral services for Mrs. Annie Bolton, 79, of 699 20th Ave. W., will be held at Westerdale United Church Wednesday, April 22, at 2:30 p.m. with interment in the Westerdale Cemetery.

Rev. C. C. Armstrong will conduct the services with arrangements by Didsbury Funeral Home. Mrs. Bolton died at the Calgary General Hospital on Saturday, April 18.

Born in England, she moved to the Westerdale district in 1907, to Olds in 1948, and had lived in Calgary since 1947. She was a member of Westdale United Church.

Mrs. Bolton was predeceased by her husband, Joseph, in 1929. She is survived by one son, Edward J. "Ted", of Westerdale, and a brother, Charles Nutley of England.

WESTCOTT COMMUNITY CLUB ELECTIONS OFFICERS

At the annual meeting of the Westcott Community Club, held recently in the Westcott school, the large attendance was definite proof that the club's activities are being supported by all. The executive in office is desirous of carrying out the wishes of the club and solicits the co-operation of the community.

Officers of the Westcott Community Club are: Cliff Murphy; vice-president, Mr. Bill Tohms; secretary-treasurer, Mrs. Otto Folkman. Other members of the Board are: Mrs. Ed White, Mr. Jack Robertson, Mr. Otto Folkman and Mr. Herman Dageforde.

Committees were formed to take care of the different activities in this connection and they are:

Dances, catering and serving: Mr. Earl Klinek, Mr. Bill Tohms and Mr. Cliff Murphy.

Sports: Mr. Herman Dageforde and Mr. Otto Folkman.

The secretary reported that there is a signed membership of 37, and the financial statement showed the club to be in very good standing for the year just completed.

Anyone desiring information on the dances, the ball teams now being organized, or on other activities of the club should get in touch with one of the above members.

WEST NOTES

(From Our Own Correspondent)

Mr. and Mrs. F. Niddrie of Mound were dinner guests with Mr. and Mrs. A. L. Hogg on Saturday.

We are sorry to hear that Mr. Glen Ray is again a patient in the Didsbury hospital suffering from a form of arthritis. We hope to hear soon that he is able to be about again.

The Elkton Willing Workers held a whist drive at the home of Mr. and Mrs. J. Hagshaw on Friday evening with eight tables playing Honors won by Mrs. Glen Ray and Mr. L. Banting and consolations to Ronnie Blain and Mrs. L. Banting.

Anyone desiring information on the dances, the ball teams now being organized, or on other activities of the club should get in touch with one of the above members.

Mrs. and Mrs. W. Rigby, while Gordon was in Calgary.

Mr. and Mrs. O. Thompson were overnight visitors with Mr. and Mrs. Glen Thompson at Red Deer last Wednesday.

Mrs. and Mrs. Rawleigh and family of Cremona spent Sunday with Mr. and Mrs. Arnold Hogg.

Mr. and Mrs. Hoese of Calgary is spending her holidays at home. Mr. and Mrs. P. Laft were Olds visitors on Saturday.

Mrs. K. Konschuh was home over the weekend, but left for Calgary on Monday for further treatment. Mrs. Konschuh broke her leg several weeks ago.

We are also sorry to hear that Mr. Allan Krebs had his leg broken in two places when some oil pipe dropped on him.

BIRTHS AT THE DIDSBURY MUNICIPAL HOSPITAL

To Mr. and Mrs. A. G. Goulet of Water Valley, on April 17, a daughter, Mrs. Goulet.

To Mr. and Mrs. G. Meyers of Didsbury, on April 15, a son.

Main business of the Town Council at its regular Monday meeting was the bringing down of the 1953 budget and when facts and figures had been straightened out the tax rate was set at 52 mills, as compared to 48 last year.

The raise was brought on by increased school and hospital requisitions. Last year's school requisition was \$31,000, this year \$30,650; for the hospital, last year \$7,550, this year \$8,900. Above figures actually amount to more than the 4 mill raise.

Other business transacted included passing of a by-law, due to the rabies scare, authorizing the town council to shoot any dogs running at large in the town.

WESTCOTT NEWS

(From Our Own Correspondent)

Last Wednesday afternoon a quilt was quilted for the Red Cross at the home of Mrs. Herbert Goetjen and among those assisting with the task were Mrs. Gordon Ford, Mrs. Helen Baudert, Mrs. Harry Levagood and Mrs. Henry Wisluisen. The ladies enjoyed their cup of tea when the work was completed.

Mrs. John Laft is ailing from nephritis and we hope she will soon be better.

Mrs. Louis Hildebrandt and family of the Jackson district and Mr. and Mrs. D. Knecht of Olds were among those at dinner at the Herbert Goetjen home on Sunday evening.

Mr. Ken Folkman left for Calgary last week where he will be employed for the summer.

The warmer weather of the last few days is very welcome, especially to the stockmen who are busy with the crop of new calves, etc.

Former Resident Dies At Linden

Mrs. Emma Ida Burkholder, 79, of Didsbury, died at Linden Sunday, April 19.

Born in Markham, Ont., she moved to Castor to homestead with her husband in 1909. They moved to Mayton in 1917 and to Didsbury in 1922. Mrs. Burkholder has lived in Linden since 1948.

Mrs. Burkholder was predeceased by her husband in 1949. She is survived by five daughters, Mrs. Verna Spencer of Fleet; Mrs. Velma Boettger, Nelson; Mrs. Gladys Boettger, Didsbury; Mrs. Edna Pearce, Lethbridge; and Mrs. Clara Falk, Sunnyslope; 36 grandchildren, and 25 great-grandchildren.

Funeral services will be held in the United Missionary Church in Didsbury Thursday, April 23, at 2 p.m., with Rev. Ray Shantz officiating. Burial will be in the family plot at Didsbury with Didsbury Funeral Home in charge of arrangements.

Mt. View W.I. April Meeting

The April meeting of the Mountain View W.I. was held at the home of Mrs. Mac Wood with 11 members and three visitors present. The meeting opened in the usual manner with O Canada and the Oregos.

The meeting was very rushed as members were scheduled to meet at the Lutheran Church to hear Miss Smith talk on "Pattern Selections and Alterations."

It was decided to have a speaker from the Health Unit at the May first meeting at the Mountain View hall, to talk on the "Work of the Health Unit." It was also decided to invite the Lone Pine Institute and the United Missionary Church ladies as well as anyone interested.

There will be a delegate to the convention in Edmonton in May.

The Salvation Army was sent \$5 to help in their wonderful work.

The ten-cent draw netted \$125 and ladies then went over to the Lutheran Church basement where they enjoyed the address given by Miss Smith.

MRS. GEO. YOUNGS HOSTESS TO WESTCOTT CHURCH W.A.

Seventeen members and two visitors met at the home of Mrs. Geo. Youngs for the April meeting of the Westcott United Church W. A. The vice-president, Mrs. P. Hoesgood, was in the chair in the absence of the president, Mrs. Jack Robertson, who had gone to the Provincial Presbytery Conference at Red Deer.

The meeting opened with the theme song and creed, and Scripture reading by Mrs. Lett of Elkton. For the devotional Mrs. O. Blain gave as her theme a study of Love and Charity.

Mrs. Percy Hoesgood gave a paper on "The Pagan and Christian Villages in Angola, Africa, as her missionary topic."

The citizenship topic on "Victorian Order of Nurses" was given by Mrs. O. Thompson.

Ladies please take note that the next meeting will start at 2:30 p.m. The meeting closed with "Bless Be The Tie" and the Lord's Prayer, and a lovely lunch was served by the hostess.

FARMERS' RIGHT TO GO ON STRIKE

A correspondent draws attention to the case with which the railway unions, in 1948, again in 1949, and now in 1953 have put the gun to the heads of the Canadian people and held them up for an undue share of the national income; and

he asks why farmers should not adopt the same tactics — go on strike and refuse to produce food for the railway workers until hunger forces them to adopt a more co-operative attitude.

There are two good reasons why the farmers should not go on strike. First, because they occupy a position of trust. The nation trusts them to supply it with food; and allows them to hold land for that purpose. In retaining the land the farmer accepts the obligation. To go on strike would be an unpardonable breach of trust. It would be an attempt to punish all the people for the sins of a comparatively small number.

The second reason is that if the farmers should go on strike they themselves would be the first and greatest sufferers from their action. There are many things the farmer can't get along without, and for which he depends on other people. How could he ask others to supply him with those things while he refuses to supply them with food? He couldn't do it.

The farmers should be the last people in the country to go on strike.—Rural Scene.

FORD

Thousands of drivers are changing to Ford because they've found that Ford's smooth Strato-Star 110-Hp. V-8 engine is the type of engine that powers the finest cars, though Ford is priced with the lowest. They've found that Ford offers a choice of three modern transmissions (Fordomatic*, Overdrive* and Synchro-Silent shifting) and an unusually wide selection of styles, colours, interior trims and fabrics. When you add up all the vitally important "extras" that Ford provides—like its smooth "Wonder Ride", its Full Circle Visibility, soft foam rubber seats, Centre-Fill Fueling and Key-Turn Starting—you begin to realize how much more there is to Ford than you ever expected in a car that's priced so low. When Ford gives you so much more...

Rev. C. C. Armstrong

A group from St. Stephen's College will be in Central United Church, Calgary, on the evening of April 20th. The group is made up of young people who are training for the ministry of the church. Through personal witnessing, through sacred song, by means of dramatic presentation they will give a preview of the Church of tomorrow.

Touring groups such as this are a very effective means of informing and challenging both the youth and the elders in the church. The United Church, within the next three years will require 1,000 volunteers, young men and women called by God to assume leadership responsibilities within the church. The work of witnessing to the reality of the faith is one that rightly belongs to every Christian, but organizational needs require certain individuals to use their specific talents in particular ways. "God has appointed in the church first apostles, second prophets, third teachers, then workers of miracles, then healers, helpers, administrators, speakers in various kinds of tongues."

The church requires 750 volunteers for the ministry in Canada. Beyond the present needs there is in immediate prospect of 240 new churches in developing areas. One hundred and sixty four volunteers are needed for overseas work. Ordained ministers, doctors, teachers, technical specialists, nurses, evangelists and community workers are needed. There is immediate opportunity for one hundred women volunteers for church work in Canada.

The expanding work of our church requires one thousand volunteers. In 1952 there were one hundred and forty five. Simple arithmetic indicates the rate of enlistment is too small. Simple comparison reveals that there are shortages of workers in many activities other than the church. In 1953 the shadow of unemployment hung over the land. In 1953 there is the shadow of the unfulfilled

CURRENT BLIND APPEAL NOT
AUTHORIZED BY INSTITUTE

The canvassing for funds, purported to be in aid of the blind, which is now being carried on in Alberta, is not being conducted by The Canadian National Institute for the Blind. Mr. R. V. Hewlett, Executive Officer for the Southern District of CNIB said recently.

Mr. Hewlett said that numerous inquiries have been received at the CNIB headquarters during the past few weeks. Throughout Central and Southern Alberta, the CNIB holds its annual campaign in the fall, and it is not at present soliciting funds from the public.

The Canadian National Institute for the Blind is the only service organization in Alberta which has service centres in operation, and which is engaged in extending a broad program of services to all blind people regardless of age, race, color or creed. The Alberta Division of The Canadian Council for the Blind, which works in close cooperation with the CNIB, at no time appeals directly to the public for funds.

All citizens are advised by Mr. Hewlett to inquire fully into what they are being asked to support before contributing to any campaign said to be in aid of the blind, regardless of what organization is conducting the appeal.

Employers' contributions to unemployment insurance, workmen's compensation, pensions and welfare amounted to \$300,000,000 in 1952.

Good and the unanswered call of God. But just as a shadowy cloud guided the Israelites, so a shadow of need can lead people to respond to the appeal of a New World under Jesus Christ.

Young people who are contemplating their life work ought to attend Central United Church, at the hour of evening worship on Sunday, April 20th. The group's more varied presentation will commence that same evening, at nine o'clock, following up the service of worship. Or should we say that after worship the service begins? That is when we want you to begin.

Agricultural SERVICE BOARD NOTES

W.K. Snyder,
Field Supervisor

Soil Conservation Practices: The
 soil should be conserved not only
 for future generations but for the
 present generation too, says O. R.
 Sterling, supervisor of soil conser-
 vation and weed control for Al-
 bertia. Good land management
 means better crops and increased
 returns.

One of the best methods of con-
 serving soil is to use grasses and
 legumes in a mixed crop rotation.
 Grasses and legumes not only in-
 crease production per acre of land
 but they also increase the total
 farm income if marketed through
 livestock. Another useful conser-
 vation practice is the use of trash
 cover. Trash cover adds organic
 matter in much the same way as
 grasses do. All organic matter,
 whether from trash or forage crops,
 increases the water absorption ca-
 pacity of the soils, cuts down the
 rate of evaporation, and provides
 food for growing plants. Trash on
 the surface protects the soil from
 both wind and water erosion.

FARMERS MUST PAY RAILWAY INCREASE

The only justification for the recent
 increase in railway wages is that it
 was just enough to prevent a strike.
 Other Canadians must now dig a
 little deeper and pay railway workers
 more. Many other Canadians can es-
 cape paying their share of increased
 railway costs by passing them along
 to those who must pay or do without
 goods and services that are trans-
 ported by rail, either in raw material
 or finished form.

Railway freight costs mean more
 to farmers than to any other class
 of people in Canada. When farmer
 prices have declined drastically,
 farmers are compelled to pay higher
 railway wages through increased
 freight rates.

It is true that railway workers are
 not the only workers who get far
 more than their services are worth
 and work far less than they ought to
 work, in relation to farm prices, farm
 incomes and farm hours of work.
 Labor legislation in Canada creates
 the conditions under which a minority
 or organized workers can exploit all
 others, particularly the self-employ-
 ed.

The greatest economic need of the
 moment is labor legislation that will
 guarantee the right to work, the
 right to join or not to join a union,
 thus permitting wages to find their
 economic level in relation to all goods
 and services.

**DEFICIT SHOWN IN
UNSATISFIED JUDGEMENT FUND**
 A deficit of \$122,458 has been re-
 corded in the operations of the Un-
 satisfied Judgement Fund for the
 fiscal year 1952-1953.

According to the Provincial Sec-
 retary's Department, \$292,585 was
 paid into the fund between April
 1, 1952 and March 31, 1953. Total
 payments during that period were
 \$315,024, made up of \$51,428 for hos-
 pital and medical payments, \$236,-
 643 for court judgments and costs
 and \$26,952 miscellaneous.

Each owner of a motor vehicle
 in the Province pays \$1 to the fund
 each year when he buys a new li-
 cence and this money is used to
 pay court judgments arising out
 of auto accidents for which the
 responsible party is unable to pay
 damages.

Less than one fourth of Canada's
 known hydro electric resources are
 in use.

LONE PINE W. I. MEETING

The Lone Pine W. I. met at the
 home of Mrs. Chris Ehret for the
 April meeting with 21 members and
 five visitors present. Report of the
 dance held in March showed a profit
 of \$70. A donation of \$10 will be
 sent to the Salvation Army.

Mrs. Jack Underhay was chosen
 as delegate to the Convention in
 Edmonton. Mrs. Harry Richardson
 will also attend.

It was decided to hold a dance
 on May 22, proceeds to be used to
 buy more books for the library.

Mrs. Harold Sheils had the topic
 for the afternoon which was "any-
 one can raise orchids," and this
 was enjoyed by those present.

Mrs. Patterson conducted the
 contest, "Flowers of the Months,"
 and Mrs. Edna Dowell was the win-
 ner.

The ten-cent draw was won by
 Mrs. Pete Neufeld and netted \$2.80.
 The cancer books were given out
 to four ladies who will canvass the
 district.

WHO SHOULD PAY TAXES?

The purpose of taxation is to
 raise money to defray the costs of
 government.

These include the costs of na-
 tional defence, police protection,
 road construction, aids to naviga-
 tion, education, administration of
 the laws and all such activities.

All the people benefit from these
 activities; and all should help to
 pay for them. No class should be
 exempt.

No one will deny that farm co-
 operatives have done and are doing
 good work for their members, and
 no one begrudges them the credit
 they deserve.

But is that any reason why they
 should not be expected to pay their
 share of the costs of government?

The meeting closed with the
 singing of "God Save the Queen"
 and a pot luck lunch was served by
 the hostess.

If all the people who are engaged
 in good and useful occupations
 were granted tax exemptions there
 would be very few left to pay taxes.
 When farm co-operatives devote
 their energies to getting tax ex-
 emptions or other special privileges
 for their members, they degenerate
 into self-seeking pressure groups
 and are regarded as such.—Rural
 Scene.

FARM IMPROVEMENT LOANS

The federal government has in-
 creased to \$4,000 from \$3,000, the
 maximum government-backed loan
 which farmers can get for improve-
 ments under the farm loan act.
 The rate of interest remains at 5
 per cent.

At the same time the act was
 extended for another three years
 during which time loans may be
 made up to a total of \$300,000,000.

There is still time to make your
 donation to the Red Cross.

FEDERAL ELECTION YEAR

This year's federal election will be the most expensive in Canadian history—and one of the most illegal, according to Blair Fraser, well-known Ottawa writer and broadcaster. In an outspoken article in Maclean's Magazine, Fraser says that "the great majority of our lawmakers become lawbreakers in the very act of being elected to make the laws."

Most politicians would rather risk a two-thousand-dollar fine and two years in jail by disregarding the Canada Elections Act than publish a true statement of their election expenses. The Maclean's article charges. They won't acknowledge the secret dollars that pad the paychecks of so-called "volunteer" party workers who demand more money for each campaign.

"Election costs are rising in all party of Canada," Fraser writes. "In 1935 a party leader's national tour could be run for twelve hundred dollars. In 1948 one leader's tour cost nearly twenty thousand. The cost of living hasn't risen that much."

Where's the money coming from? Fraser says big sums are donated by companies who expect concrete returns in the form of government contracts. But, he adds, officials deny that Ottawa plays favorites. He quotes one veteran politician as saying, "anybody who gives money to the federal party and hopes to get it back is a fool."

Party organizers admit that political machines are expensive and corrupt, especially in Quebec and the Maritimes. Blair Fraser suggests Canadians aren't so rich that they can afford to throw money down the election campaign drain.

CHRISTIAN SCIENCE

At Christian Science churches on Sunday the Lesson-Sermon entitled "Probation After Death" brings out the glorious opportunity we have now, to rise above the mortal and material. It includes this passage from Hebrews: "Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us" (12:1), and this statement from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Christians must take up arms against error at home and abroad. They must grapple with sin in themselves and in others, and continue this warfare until they have finished their course. If they keep the faith, they will have the crown of rejoicing." (29:1-8).

BREAD PRICE INCREASE

Last week the price of bread in Calgary advanced by one cent a loaf. Increasing costs of ingredients and labor and higher freight rates were given as the reason.

The Alberta Wheat Pool would like to point out to bread consumers that none of this boost can be attributed to the higher cost of wheat used in the bread. Since the

last increase in bread prices the price of wheat to the Canadian consumer has actually declined by ten cents a bushel. Wheat is the main ingredient of bread but for the amount that goes into a loaf the farmer receives only about three cents. The price of wheat would have to advance fifty cents a bushel to justify a one cent increase in a loaf of bread.—Wheat Pool Budget.

It's

IMPORTED

...So what?

Side by side on the merchants' shelves—Canadian materials and "imported" goods. Do you get any advantage when you go for "imported" products?

In textiles, at least, the answer is simple. Canadian mills turn out fabrics and yarns that match or better the production of any other textile country of the world in quality.

They are made by Canadians who are paid good Canadian wages; they are designed to please Canadian tastes, meet Canadian needs.

This is no plea to shun "imported" materials. They should be considered along with domestic products by every Canadian consumer, but on a strict *what-do-I-get-for-my-dollar* basis.

Ask for Canadian textiles if you want the best for your money.

PLOUGHSHARES FOR GUNS

Easter has come and gone and again we find the world still busy beating its ploughshares into guns, tanks, airplanes and other weapons of war. Eight years after World War II the world is still restless; there is no peace, nor in the foreseeable future can we hope to find the peace which Christ hoped two thousand years ago would permeate the hearts of His people. The Cross which he found heavy has not lightened with the years.

Jesus faced the Cross with a faith that made the symbol of triumph. This is the faith that challenged a civilization in disintegration to build up a newer and finer civilization, and to make that faith dominant. Emerging from the new day which dawned with the Resurrection of our Lord, men through faith, became aware of forces working towards the creation of a better world, a deeper instinct to spiritual needs and a newer conception of their relationship to God and to their fellow men.

This is the faith which challenges the world today: "The faith that we can do away with war and poverty and disease must take possession of us before we can move into a world set free from ancient scourges," says an eminent divine. "Quite unlike our feverish fears and restless anxieties and short-sighted plans is the calm expectation, the confident hope, the courageous adventure, inspired by such a Christian faith."

It is evident in a rapidly changing world that racial hatreds, industrial strife, international wars, religious controversies, cannot go on much further. Nor can we much longer survive conditions brought about by fear and greed. We must either rise above them or be submerged.

Wherein has man failed over the two thousand years since the light of the Resurrection morn flooded the world? We know . . . his eyes have strayed from the light, instead of having the shadow fall behind him, he has turned and mingled with the shadows, and through the powers of darkness the world is becoming a perilous place; and all because man has not kept faith.

The remedy is so simple — just intelligence and fidelity to the teachings of Jesus. Nothing stands in the way except the obstacles we have either put in the way or permitted to remain there . . . Few of us appreciate the possible splendor of the human life at its best, and few of us seem to believe that the best is within the reach of the ordinary.

At this Eastertide, let us rededicate ourselves to the cause of Christ; let us turn again towards the light that will lead the world from the dangerous path it is travelling; that a long and lasting peace may again return to the world.

WEDDINGS

THOMAS-JOHNSTON

Betty Mae Johnston, daughter of Mr. and Mrs. Glen Johnston of Cremona, and Robert Alan Thomas, son of Mr. and Mrs. Chas. H. Thomas of Olds exchanged marriage vows on Tuesday, April 21, in a ceremony at the Cremona United Church at 2:30 o'clock. Rev. Kirk of Carstairs assisted by Rev. H. J. Miller, Olds, officiated.

The church was tastefully decorated for the occasion with the altar rail lined with spring flowers and the pulpit the centre of a theme of streamers and flowers.

The bride, who was given in marriage by her father, was charming in a gown of ivory satin with lace inserts, and lily-point sleeves. Her jewelled tiara held a finger-tip veil in place and she carried American Beauty roses on a white Bible. Miss Ruth Johnston and Mrs. Clair Fischer of Cremona and of Didsbury respectively, were bridesmaid and matron of honor. The former chose a mauve satin gown with Bertha collar and carried a colonial bouquet of mauve and yellow carnations, while the matron of honor wore apple green, also styled with Bertha collar and carried a bouquet of yellow and mauve carnations.

Following the ceremonies a reception was held in the Legion hall at Cremona for the guests.

Bridgroom's gifts: to the bride a white gold chain and locket inset with rhinestones; to the bridesmaid, silver earrings; to the best man, a gold watch and key chain; to the organist, gold earrings; and the clips for the ushers.

Following the reception the happy couple left by car for Banff and points west, the bride wearing a green topcoat with mauve hat and matching accessories.

After April 9th they will be "at home" at Delta where the groom is employed.

Best man at the wedding was the brother of the groom, Eric Thomas, and the ushers were Clair Fischer of Didsbury and Ross McLeod of Sundre. The bride's grandmother from Calgary, and the groom's grandparents, Mr. and Mrs. T. G. Whitehair of Olds were among those present.

MEAT DEAL LOSS

The four-country beef deal arranged by Canada following the outbreak of foot-and-mouth disease in Canada is reported to have cost Canada just over \$23 million. Under this arrangement Canada shipped about 70 million pounds of fresh carcass beef to the United Kingdom. In exchange Britain gave Canada an equivalent amount of frozen New Zealand beef for sale in the United States but the market there for this beef was none too good with the resulting loss.

363 million ice cream cones were made in Canada last year.

and road-test a lively new '53 **DODGE**

A NEW IDEA FOR GREATER CONVENIENCE
The front seat of Dodge two-door models is divided 14-14 so that rear seat passengers can get in and out with minimum disturbance of front seat riders.

YOU ENJOY GREATER SAFETY

Better All-round Vision — New, curved one-piece windshield and down-sloped hood give you a clear, wider view of the road. Higher, wider side and rear windows provide excellent all-round vision. Wide-sweeping electric windshield wipers give consistent, efficient performance.

Unique Safety-Rim Wheels — Standard equipment on all Chrysler-built cars — help hold tire on the rim in case of a blow-out, allowing safer, straight-line stops.

Dual-Cylinder Front Wheel Brakes — Dodge has two hydraulic cylinders in each front wheel brake for balanced control — providing more stopping power in front where it is needed. Brake lining are of treated Crickland lining which provide longer, trouble-free life with no change of drum scoring.

Sunshine or rain, spring gales or balmy breezes, you'll be safe, comfortable and content in a new, livelier 1953 Dodge.

You'll find that a brand new approach to suspension design has helped create a car which handles surely . . . hugs the road . . . and takes the curves in stride.

You'll experience new performance too — with a new, more powerful engine (now rated at 108 h.p.).

And, if you desire, you can have the smoothness and no-shift ease of new Dodge Hy-Drive, available on Mayfair and Regent series at extra cost. With Hy-Drive you shift directly into High — then you can stop and go as you please without touching the gearshift or clutch.

Discover this amazing new Dodge for yourself. Come in today and arrange for a road-test.

clean crops make MORE MONEY buy British LEYTOSAN

SEED treatment with Leytosan assures increased germination, greater yields and higher grades at very low cost. Leytosan is most effective in the control of smut, root rot and all soil-borne diseases.

This combination of stronger crops, of highest quality at lowest possible cost assures you of increased profit.

Leytosan is a British product—made expressly for Canadian conditions. Remember—it's a good business to buy from Britain so that, in turn, Britain can buy from us.

For those who prefer a wet treatment, Leytosol "C" is most effective in the control of soil-borne diseases.

KILL WIRE WORM—In those areas affected, the wire worm menace can be eliminated with Leytosan G-91. In addition, Leytosan G-91 possesses all the qualities of Leytosan.

DISTRICT NEWS**M.V.B.C. NEWS**

(From Our Own Correspondent)

The College was indeed privileged to have Rev. Lois Richardson of Delaware for several meetings at the close of the college year. Her messages were freighted with power, experience and travel. She had returned to Indiana by plane to keep her schedule intact. Miss Richardson is an aunt of G. Lyle Richardson.

The Choir Concert was well received on Friday evening. The United Missionary Church was filled to capacity, and as Mr. Richardson presented his final concert to this constituency, there was a feeling of sadness among many of his friends. He will not be here another winter, but the President of the College is making arrangements to fill the vacancy, and the public is assured that someone with musical talent and ability will be secured to continue the splendid work that the music department is doing in this College. Mr. Richardson will continue his studies toward a degree in music during the coming months.

During the summer the staff at the College will be the President, Rev. Taylor, the secretary-treasurer, Miss Gladys Eby, and the staff, Mrs. Archer and Mrs. Habermehl. It will be a busy summer as Arthur Eby, maintenance-superintendent, endeavors to carry out the instructions of both Board of Directors and Trustee Board in improvements planned. It may be there will be those during the summer who could spare a few days to help him in his work. You can always contact some one at the College to make such arrangements.

Rev. D. M. Taylor is accompanying the Choir on its tour through Idaho, Washington and British Columbia. They expect to be giving their final concert in First Baptist Church, Calgary, on the night of May 3 at 8 p.m. This will be Mr. Richardson's final appearance in this Province as leader of the Choir and he will be greatly missed here.

After the Friday evening concert the ladies and young people of the United Missionary Church served a very dainty lunch to the choir in the dining room of the College. Mrs. Ray Shantz, convener, expressed great appreciation of the work that the Choir had done and also of the untiring efforts of Mr. Richardson during the winter months. Mr. Richardson in turn spoke of what the community had meant to him, and the associations not only of those with whom he labored in the College, but of the many friends in the community. It was a fitting close to a most outstanding evening.

We believe there are many friends in the community who listen to the Sunday Radio Broadcast put on by the United Missionary Church each Sunday at 7:15 a.m. We would appreciate hearing from them. It takes much effort and time to prepare these, and the broadcast depends upon the goodwill of the listeners. It is in need of help at the present, and should you feel that such a program in its early efforts is worthwhile, we do want to hear from you. Any criticism of worth will be gladly received. You may reach us under this address: Good News Program, Box 266, Didsbury, Mr. Waldin, the director, works under a splendid board and his efforts at present are to improve the program in every part.

Notes From D.A.

By Hugh McPhail

Because of the outbreak of rabies in Alberta the coyote control program has been stepped up. In districts where coyote-getters are authorized \$500 extra coyote getters have been distributed recently. This M. D. has not approved the use of coyote-getters but does pay a bounty. As a defence against Rabies people should be even more active than in the past in the complete destruction of all coyotes. I have recently received slides showing a dog with Rabies and also a calf that had been bitten by a fox. It developed Rabies in two weeks. In this district at the present time there are 6 beef clubs, 2 dairy clubs and 4 grain clubs. All are very active and hold meetings once a month. Because of lack of members the Didsbury Dairy Club will not carry on this year. This was one of the oldest clubs in the province and one of the best. It sent four teams to Toronto for the Canadian competitions.

FALLEN TIMBER

(From Our Own Correspondent)

The sympathy of the district is extended to Mrs. F. Admussen and family in the loss of their husband and father.

Mrs. B. Money spent Tuesday afternoon at the home of Mrs. Joe McGaffin.

Mr. and Mrs. B. Dick visited a week ago Sunday with Mr. C. Waterstreet who has been quite ill. Mr. and Mrs. W. Fyten, Lynn and Katherine, and Miss E. Johnson left on April 12 for Long Beach, Calif.

Mrs. Lily McGaffin has once again won the \$10 bonus at the Metropolitan store in Calgary. This bonus is given to the person having the least errors in her "till". Congratulations, Lily.

Mr. and Mrs. Joe McGaffin and family had supper with Mr. and Mrs. Dean Stair recently.

Mr. Jack Wannamaker is visiting at the home of his parents, Mr. and Mrs. L. Wannamaker.

Mr. and Mrs. Joe Perkins and baby Debbie visited during Easter week with Mr. and Mrs. Wannamaker.

Marilyn Stair spent a few days visiting at the home of Mr. and Mrs. Joe McGaffin.

Mrs. Johnny Howton, Danny and Jennie spent Easter week visiting at the home of Mr. and Mrs. C. B. Moore in Calgary.

Mrs. Joe McGaffin and Ann Marie spent a few days visiting in Calgary Easter week with Mr. and Mrs. Lily McGaffin.

The dance put on by Mrs. Jennie Dick and Mrs. Lydia Teynor on April 10 was enjoyed by the neighbors. The music was supplied by Mr. B. Smith and Mr. L. Wright with several others helping.

Mr. James Cooper took the plane to Lethbridge to visit his uncle and aunt, Mr. and Mrs. O. Maddough, and cousins Marjory and Kenneth. He flew back to Calgary April 10.

Mrs. H. Johnson, Mrs. L. Wannamaker and Mr. Jack Wannamaker went to Saskatchewan for a few days.

THE COFFEE BREAK

Its universal introduction was due partly to a tight labor market, partly because rest periods were often termed "vital to war production." Many plants achieved peak efficiency by imposing a 10-minute compulsory break every two hours.

The Financial Post has calculated what the time costs. However, there is no way to measure the increased efficiency from perked up workers.

But this is the cost of 15 minutes daily for one year, based on the 40 hour week:

Annual Salary	Cost Per Year
\$1,250	\$ 68
2,500	136
3,000	162
3,500	187
5,200	282
7,500	405

80 YEARS AGO!

It was just 80 years ago this spring that the first cattle were brought into the chinook belt of Alberta. In 1873 missionary Rev. John McDougall brought 12 head of cattle to the Morley district.

A NATURALIST working in the jungles of Africa uses a portable aluminum elevator to get to the top of 150-foot trees to secure samples of plant and animal life. He simply shoots a line from a rifle over a sturdy limb, attaches it to the elevator cage and hauls himself up by working a hand winch fixed to the cage's floor.

His one-man elevator is almost certainly made of Canadian aluminum. For by putting untanned "white water" to work creating electrical power, Canada has made itself the largest exporter of aluminum in the world. Aluminum Company of Canada, Ltd. (Alcan)

Mrs. V. Soley and family are spending a few days visiting in Calgary with her mother Mrs. E. N. Charbonneau.

Mr. Claude Webb of Swallow was a guest at the Walter J. Scheidt home over the weekend. Walter and Claude motored to Calgary Sunday evening to visit friends.

Miss Pearl Weisgerber, a member of the staff of the local branch of the Royal Bank, has been transferred to a Calgary branch of the bank. Pearl will be living at the home of Mr. and Mrs. W. W. Ollie who left recently to take up residence in Calgary.

Mrs. F. W. Leeson left Thursday by plane to spend a vacation with her son, Mr. R. B. Leeson, in Vancouver.

Mrs. S. Devine and daughter, Ester Anne, were Saturday visitors in Edmonton.

Mrs. Sidney Fox and son, Ronald Brumwell, left last Tuesday for Sacramento, Calif., where they will visit with the former's daughter, Mrs. Donald Newton.

Murray Owens, who leaves shortly for Fort St. John, was honored at a theatre party in Didsbury recently by the Westcott Young People's group. Following the show they went to the Jack Robertson home where lunch was served.

The Pioneer urgently needs a few copies of the issue of March 4 and 11 of this paper. Anyone who happens to have copies of the issues mentioned, and are not saving them for posterity, are asked to mail them to us or drop them in to the office at your convenience.

Mr. P. R. Dawkins of Didsbury has purchased the De Luxe Auto Service Station in Calgary and took over the business April 15th. Mrs. Dawkins and Robbie will remain in Didsbury with Mr. and Mrs. A. R. Kendrick for a time.

Miss Betty Rupp and Miss Wilona Roulet, nurses in training at the Holy Cross hospital, Calgary, spent the weekend at their respective homes here.

Mr. and Mrs. Fay Nicholl have moved into the residence formerly occupied by the Broomhall family.

The basement has been excavated for the new residence of Barney Elliott, which is being constructed by John Wright on the lot next to the W. McCoy residence.

Local Stockmen Purchase Bulls

At the recent bull sale held in Calgary many local stockmen both purchased and sold purebred bulls. Following is a list of the bulls purchased locally:

Herefords
W. D. Miller bought Dell Burn Wyoming 3rd from M. B. Herbert of Delburne for \$340.

J. L. Tuggle bought Rupert's Domino 23F from Roger P. Jones of Lloydminster for \$380.

I. D. Levaood bought Bonnie Domino 2P from D. J. Robertson of Didsbury for \$500.
